

## **Site Council 5/19/22**

### **SIP Goals**

- Mr. Uhler shared literacy and math goals
- emphasis on GROVES, and that k-3<sup>rd</sup> teachers getting certified from St. Thomas University
- Mandy may create a video of Northrop's literacy program to spotlight what we do for our website
- receiving good parent feedback from families
- Colette Owens will be back coaching next year
- 3<sup>rd</sup> grade program next year
- parent component new next year
- Culturally Relevant activities: new books in media center, all school assemblies, hosted family breakfasts to recognize cultures.
  - large photos of historical people purchased for hallways, people in photos carefully selected. A parent suggested having a non-binary person as well selected by students.
- AMAZE curriculum will start next year k-5<sup>th</sup> grade

### **Student Surveys**

- share results how students feel about school, being a part of our community
- Andy contacting REA to get surveys teachers has already given, anonymous responses
- could pull two or three questions to share with entire school or with families

### **Test Scores**

- are not to single out teachers, but to see where we need growth
- "parents don't want lip service" a parent shared
- teachers take data very seriously

### **Northrop Yard Signs/Posters**

- PTA bringing signs to hand out at parent pick up.
- good advertising for our school
- Andy is designing posters to hang in local businesses

Our last meeting of the school year. Mr. Uhler gave thanks for making it through another challenging year. Two parents whose first term is up asked to start a second term.
