THIS LAND IS YOUR LAND

This land is your land
This land is my land
From California to the New York island
From the redwood forest to the gulf
stream waters... this land is made for you
and me.

Verse 1

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley

Verse 2

I've roamed and rambled and followed
my footsteps
To the sparkling sands of her diamond
deserts
And all around me a voice was sounding

Verse 3

When the sun come shining
And I was strolling
And the wheat fields waving
And the dust clouds rolling
As the fog was lifting, a voice was
chanting

SING A SONG FOR NATURE

Verse 1

Who will speak the words for the
flowers?
Who will sing the song for the tree?
Who will blow the trumpet for the
elephant?
Hunted for his ivory?

Verse 2

Who will be the roar for the tiger?
Who will do the work for the bee?
For those who have no choice, we
must be the voice.
We must help them to be free.
Yes, it's up to you and me.

REFRAIN

Sing a song for nature
Sing a song for all the earth
Open your eyes and realize how much
our planets worth

If you sing a song for nature
It will sing one back to you.

Verse 3

Who will be the shell for the turtle?
Who will save the chimpanzee?
Who will tell the tale of the great blue
whale
Swimming in the great blue sea
Yes, it's up to you and me

.LAS MANANITAS

Estas son las mananitas que cantaba el
Rey David,
A las muchachas bonitas se las
cantamos a si:
Despierta mi bien, despierta, mira que
ya amanecio,
Ya los pajaritos cantan, la luna ya se
metio.

Now we sing las mananitas, as King
David long ago,
Sang a song to greet the morning, to
greet the sunlight's first glow.

Awaken, dear one, awaken
And welcome the rosy dawn.
Now the birds are sweetly singing
The silver moonlight has gone.

RECYCLE RAP

Listen up friends, you got to help with our
plan
Or we could all be livin' in a garbage can
Just save your glass and your tin cans,
aluminum too.
Recyclin' is the thing to do.

REFRAIN

Recycle, recycle, recycle now!
There's nothin' to it if you just know how.
So tell your brother and your sister and
your teacher too.
Recycling is the thing to do.

Gather up your papers don't throw them
away
Your plastic bottles could be used again
some day
Think about your habits try to change
your point of view.
Recycling is the thing to do.

REFRAIN

Recycle, recycle, recycle now!
There's nothin' to it if you just know how.
So tell your brother and your sister and
your teacher too.
Recycling is the thing to do.

REFRAIN

R- R- R Recycle, recycle, recycle now!
There's nothin' to it if you just know how.
So tell your **uncles and your cousins**
and grandma too.

Recycling is the thing to do

YELLOW SUBMARINE

Verse 1- S.L.

In the town
where I was born
lived a man
who sailed the sea
And he told us
of his life
in the land
of submarines

Verse 2-S.L.

So we sailed
Up to the sun
Till we found
The sea of green
And we lived
Beneath the waves
In our yellow
Submarine.

REFRAIN

We all live in the Yellow Submarine
Yellow submarine,
Yellow submarine
We all live in the Yellow Submarine
Yellow submarine,
Yellow submarine

Verse 3- S.L.

And our friends
Are all aboard
Many more of them
Live next door
And the band
Begins to play
(7 beats)

Verse 4-S.L.

As we live
A life of ease
Every one of us
Has all we need
Sky of blue
And sea of green
In our yellow
Submarine
refrain

WHAT A WONDERFUL WORLD

I see trees of green,
Red roses too
I see them bloom
for me and you
And I think to myself what a
wonderful world

I see skies of blue
and clouds of white
The bright blessed day,
the dark sacred night
And I think to myself what a
wonderful world

The colors of the rainbow
so pretty in the sky
Are also on the faces
of people going by
I see friends shaking hands
saying how do you do
They're really saying
I love you

I hear babies cry,
I watch them grow
They'll learn much more
Than I'll never know
And I think to myself what a
wonderful world

Yes I think to myself what a wonderful
world
