

EVERYONE plays a role in creating a positive concert experience for both the children performing and those listening in the audience.

- Refrain from talking
- Do not leave/reenter the performance space (the gym) during the music. Wait for a break in the concert to visit the restroom or to get a drink.
- Do not use electronic devices (ie. ipads,laptops, cell phones etc.) during the concert, as it diminishes the concert-going experience to those seated around you.
- Do not use flash photography
- Do not leave as soon as your child's portion of the concert is over. All students deserve a full audience for their performances.

Thank you for doing your part in creating the best experience possible for all involved.
